Overview:

UDOIT Dance Foundation are a charity who aim to inspire, engage and empower people through street dance. We want street dance to be accessible to all and give every person the chance to experience street dance opportunities. We are primarily funded by Sport England & Sport Wales to make Street dance accessible, across the country, primarily in areas of deprivation where young people don't have as many opportunities to experience what street dance can offer. Our commercial partner UDO (United Dance Organisation) hosts street dance competitions across the globe with links to the best dancers in the industry, having this link with UDO is great for our organisation to quality assure our work and use their 20 years of experience working with street dance schools. UDOIT Dance Foundation also provides dance leader training, volunteering opportunities, the National Schools Dance championships and bespoke programmes using Street Dance to help with gang crime/ mental health/ physical activity for the elderly.

As part of our expansion in 2023, we are seeking a motivated individual to join our team in Milton Keynes.

The role will primarily involve supporting young people in our community projects, mentoring young people & facilitating workshops and training.
